A Modern Approach To Classical Guitar: Book 2 (Book/Online Audio) (Paperback)

By -

Hal Leonard Corporation, United States, 2002. Paperback. Condition: New. Revised. Language: English. Brand new Book. (Guitar). Now available with online audio! This multi-volume method was developed to allow students to study the art of classical guitar within a new, more contemporary framework. For private, class or self-instruction. Book One features an all-new format that incorporates chord frames and symbols, as well as online tracks to assist in tuning and to provide accompaniments for at-home practice. Book One also introduces beginning fingerboard technique and music theory. Book Two and Three build upon the techniques learned in Book One.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my mom and dad suggested this ebook to discover.
