Nora's Ark (Paperback)

By K R McClellan

Independently Published, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. A heartwarming story of Nora Walker, and her controversial Ark. Nora lived in the small dying town of Summerset Valley, a town drying up after the railroad stopped running back in the 1980's. Then a turn of events takes place that changes her life, and those around her forever. Nora is convinced she must build an Ark in the same vein as Noah's Ark, much to the dismay of her son Gabriel. Gabriel and his girlfriend Sarah learn a new meaning to the words faith and love. The town learns a new meaning to the word neighbor. From the Author: Nora's Ark is a Novella of just under 20,000 words, and is my second book on Amazon. I first had the idea for this book back in 2006, and after banging out a whole chapter and a half, the story sat, unfinished on my computer for 11 years. Now, with the whip cracking of my loving wife, I present to you Nora's Ark. I hope you enjoy this short read as much as I did finally bringing it to you.

Reviews

The ideal ebook i actually study. It is among the most incredible book we have study. It is extremely difficult to leave it before concluding, once you begin to read the book.
-- Boyd Steuber

A must buy book if you need to adding benefit. Of course, it is actually perform, still an interesting and amazing literature. I am delighted to explain how this is basically the best book i actually have read through during my individual life and may be he best book for at any time.
-- Jarod Bartoletti
